Cask Conditioned Ale

Deuchars, 3.8%, Caledonian

Bright, pale gold in colour, zesty & full of floral bitterness both on the nose and the palate. A great summer session beer or an ideal intro to ale for lager drinkers as it shares many flavour characteristics.

Gem, 4.1%, Bath Ales

Brewed with English Maris Otter malt and Goldings hops from Kent; an outstanding, fuller flavoured best bitter that combines maltiness with very subtle fruit flavours and a lightly honeyed finish.

Proud to have been awarded Cask Marque for the consistently high quality of our ales.
